

Submitter: Ken Young

On Behalf Of: Lane County multi-use public facility

Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction

Measure: HB5201

Co-Chair Holvey, Co-Chair Girod, and Members of the committee;

Please add your support to create a state-of-the-art facility in the downtown core area in Eugene. Not only is that area of town in need of a very positive influence, the atmosphere that would be created by a multi-use facility would certainly increase the economic impact in the entire area. Creating a venue that caters to all income levels in Eugene, and maintains a family friendly activity base is something that can have positive and long term benefits.

Thank you for your consideration.

Ken Young
