

Submitter: Dana Naylor

On Behalf Of: Eugene Emeralds

Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction

Measure: HB5201

The Eugene Emeralds are an essential part of Lane County. During baseball season, fans young and old enjoy their games. They bring a lot of money to our local economy. The Ems generously give back to the community, with time AND money, unconditionally and repeatedly, both during their season and off season as well. They help to make Eugene great. They are a community builder. We need them in Eugene.
