On Behalf Of: City of Warrenton

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure: HB4106

Chair Helm, Members of the Committee:

The purpose of this letter is to make known that the City of Warrenton supports HB 4106.

This bill will give clear policy direction to the Oregon Department of Forestry and ensure that a model and sustainable harvest levels are studied and enacted. Both for industry and conservationists—more certainty is needed to ensure adequate planning, investment, and execution of a sustainable timber policy. This bill is a start to that end.

Sincerely,
Henry Balensifer
Mayor
