Committee: Senate Committee On Finance and Revenue

Measure: SB1526

SB 1526 is vague and confusing to the Oregon taxpayer. It is written at a tax attorneys level. It fails to identify whether or not there is a fiscal or a revenue impact. Instead there is the verbiage " may have fiscal or revenue impact.." Moving the dead lines (Office of Economic Analysis) for the kicker is a fiscal impact for Oregon taxpayers and makes it more convenient for the state and the Department of Revenue.
