

Submitter: Flavius Teodosiu

On Behalf Of:

Committee: Senate Committee On Rules

Measure: SB1548

Please don't remove the change to day light savings. First of all it would be hard for people who work and or live in Vancouver and have to come to Portland for work or the other way around. Also it's dark and rainy here for so long it's nice to have a few months where it stays light just a little bit longer. If anything switch to permanent day light savings time. Thank you
