

Submitter: Kim Vian
On Behalf Of:
Committee: House Committee On Revenue
Measure: HB4007

I am writing to support HB 4007.

The destruction of our personal property was devastating.

We will not see it restored to its original state in our life time ,or our children's life time.

Adding Tax on to our settlement money, will make it that much more difficult to afford to restore our property!

Please pass HB4007

Thank you,
Kim Vian
