Measure: HB4007

Dear Committee Members,

My name is Susan Miller . I am 83 years young , widow of Mike Miller who recently passed away. Mike and I moved to our beautiful property over 56 years ago . We raised 3 children and multiple grandchildren.

On the day of September 8th 2020 my son Willie Miller burst through our front door to tell us our mountain was on fire and to move quick! We then drove through flames and smoke to safety , we would never return to our hole we built from timber off of our property.

For two years we were misplaced and living in a small fifth wheel, meanwhile our health declined rapidly.

Please, please consider passing this bill to help us victims try to get some part of our lives back to a new normal.

Sincerely,
Susan Miller
