Re: SB 1526 amendments

Chair Meeks, Members of the Committee:

I write in support of the SB 1526 -4 amendments that include technical amendments related to HB 2576 from the 2023 Legislative Session.

These were developed in a collaborative effort between Judge Manicke of the Oregon Tax Court, members of the Oregon State Bar, and the City of Portland's Revenue Division. These will provide clarity for both the Tax Court, local governments, and taxpayers with respect to processes and expectations.

I'm grateful for your consideration and urge adoption of the -4 amendments.

Sincerely,

Tyler Wallace
