

Submitter: Kathleen Boylan

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure: HB4083

Committee: House Committee on Emergency Management, General Government and Veterans

Measure: HB 4083

Committee members,

I am writing to express my support for the Coal Act because it sets Oregon on a path of moving our state's investment out of the dirtiest of fossil fuels and keeping our pensions and state finances safer.

Sincerely

Kathleen Boylan
