Committee: House Committee On Rules

Measure: HB4024

We need big money, whose only interest is profit, out of political systems that are supposed to represent and support the public.

What we need are:

Limits on campaign contributions, without loopholes that let some contributors spend significantly more than others.

Full transparency so voters know who's behind campaign ads.

Matching funds for small contributions to support a small dollar election system where everyone's contribution matters.

Please either pass campaign finance reform or leave it to the voters to pass ourselves.
