

Submitter: Doug Schaefer

On Behalf Of:

Committee: Senate Committee On Rules

Measure: SB1548

Please, please, please, Ditch the Switch. I am so tired of it. The sooner, the better!  
I wish we could do it nation wide but that's another story. Let's get it done locally!  
Thank you so much for your time and effort, I can't wait to see an end to the switch!!!
