

Submitter: Stephanie Yan  
On Behalf Of: Oregon residents  
Committee: Senate Committee On Health Care  
Measure: HB4130

Dear Honorable Representatives in Oregon,

We healthcare physicians and providers are the David in this David and Goliath fight. We have seen how inadequate and neglectful corporate medicine has been to serve the public benefit. Be the first state to kick them out and be that model for better healthcare for your residents.

Thank you.

Sincerely,

Dr Stephanie Yan
