Committee: Senate Committee On Health Care

Measure: HB4130

As a physician, we are patient advocates. Keep corporate greed and greedy insurance administrators away from patient care. Ensure patient safety by promoting physician supervision of all Nurse Practitioner and Physician Assistants. A physician training involves 8 years of post high school education and minimum of 3 years of residency working 80 hr weeks in direct patient care and decision making . This training cannot be equalized to online education or 2 year degree with limited on hand training by NP or PA training
