

Submitter: Nicholas Connolly

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: HB4130

I am an anesthesiologist in Bend, OR. As a physician, I strongly support HB 4130. This bill effectively ensures physicians remain in control of patient care and protects against corporations and private equity companies owning or indirectly controlling medical practices and the decisions of healthcare providers. Our Central Oregon community has already lost physicians and practices as a result of corporate ownership.
