

Submitter: Sue Craig
On Behalf Of: Interfaith Earthkeepers Eugene Springfield
Committee: Senate Committee On Finance and Revenue
Measure: SB1593

This bill will help our Rural areas so much as this tax, mostly coming from large Timber entities, will help with our counties education and safety issues. We have had these taxes in the past, and the Rural Counties have suffered greatly from the loss that happened when they were stopped. Please support this bill to help with these needed monies. Thank you for all the work you do for the people of Oregon. You have a very difficult job during this short session.
