

Submitter: Deren Ash

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: HB4130

Please support HB 4130. We need to keep health care decisions in the hands of physicians instead of profit-motivated investors. The corporatization of medicine has led to more consolidation, less care for the community, and more harm to everyday Oregonians. Please end corporate medicine and keep medical decisions in the hands of physicians.
