

Submitter: Charles Olson Jr MD

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: HB4130

Please support HB 4130 and oppose the Corporate Practice of Medicine. The corporate ownership of hospital systems, health insurance, and physician practices is profit-driven and not in the best interest of patients and their families. The physician-patient relationship must be protected.

Thank you for your consideration.

Charles W. Olson, Jr., MD
