

Submitter: Donna LaRossa

On Behalf Of:

Committee: Joint Committee On Addiction and Community Safety Response

Measure: HB4002

Measure 110 needs to be withdrawn/revised immediately. Because of the original wording, many voters (me included) misunderstood and I personally was encouraged to vote it in. Little did I know, how this would affect our lives as we once knew it here in Oregon. The opportunists and entitled have arrived with a vengeance! We want our Oregon back!
