

Submitter: Todd Gooding

On Behalf Of:

Committee: Joint Committee On Addiction and Community Safety Response

Measure: HB4002

I am in favor of HB 4002. The penalty for doing fentanyl in public needs to have teeth in it. Just because you have an addiction problem does not mean you should have a free licence to do your drug of choice in public and become a burden on the rest of the tax payors. I encourage waiving the penalties if an addict seeks treatment. If they don't want treatment there should be a heavy stick.
