

Submitter: Chris Emerson

On Behalf Of:

Committee: Joint Committee On Addiction and Community Safety Response

Measure: HB4002

Please support HB 4002 to recriminalize hard drugs with up to 6 months in jail or mandatory, supervised drug treatment. We need to replace voluntary drug treatment with required evidence-based treatment as an alternative to jail. We need to give local governments the tools to ban the use of drugs in public and police and prosecutors stronger tools to go after drug dealers and traffickers. Oregonians from all political stripes support HB 4002. Please do the right thing and support this bill. Thank you.
