

Submitter: S Osten
On Behalf Of: Patients and physicians
Committee: Senate Committee On Health Care
Measure: HB4012

Please stop the billion dollar industry of PBMs and fraudulent practice of medicine. Requiring certain pharmacies that have been involved in bribing and lobbying needs to STOP.

please protect patient rights and improve physician ability to practice medicine wo constant interruptions to patient care, from multiple phone calls from patients who are unable to get their medication they desperately need.

Thank you.
