

Submitter: Mac Bishop

On Behalf Of:

Committee: Joint Committee On Addiction and Community Safety Response

Measure: HB4002

Dear Legislators,

Please support HB 4002 to recriminalize hard drugs with up to 6 months in jail or mandatory, supervised drug treatment.

Please support HB 4002 to replace voluntary drug treatment with required evidence-based treatment as an alternative to jail.

Please support HB 4002 to give local governments the tools to ban the use of drugs in public and police and prosecutors stronger tools to go after drug dealers and traffickers.

Without immediate action, I fear for the future of Portland and other Oregon communities struggling with drug addiction.

Thank you!
