

Submitter: Kimberly Waldrep

On Behalf Of:

Committee: Joint Committee On Addiction and Community Safety Response

Measure: HB4002

I was walking my dogs by Birdie Lous and a man was smoking meth through his pipe sitting on Birdies Lous picnic tables. I ask him does he really need to do this in public. Of course he gave no response. This is not ok and should be illegal. I support making it illegal. Kim Waldrep, FNPC
