

Submitter: Nancy Vermeeren

On Behalf Of: HB4002

Committee: Joint Committee On Addiction and Community Safety Response

Measure: HB4002

We must pass HB4002, as drug possession and drug use are crimes to our society. We cannot continue to live in the climate of crime and filth that a drug culture creates. The one who uses drugs does not just commit an assault on him/herself, but commits assault on our cities and on our right to clean and safe streets.
