On Behalf Of:

Committee: Joint Committee On Addiction and Community Safety Response

Measure: HB4002

PLEASE MAKE POSSESSION OF EVEN SMALL AMOUNTS OF ILLEGAL DRUGS
A CLASS A MISDEMENOR!

Don't let these out of town special interest groups continue to ruin our city and state.
Stop being patsies to the far left who know Oregonians are suckers for any liberal
agenda these out of state special interest groups want to legitimize.

Enough of the carrot and no stick approach! Stand up for taxpaying, law abiding
Oregonians who won't go downtown Portland because of the decay of humanity
down there.
