

Submitter: Susan Nicholson

On Behalf Of:

Committee: Joint Committee On Addiction and Community Safety Response

Measure: HB4002

It is time to repeal Measure 110. Our state is in serious trouble. Portland which was once such a beautiful and safe city is now a war zone. I was so proud to live here. The toll measure 110 has taken is completely obvious to everyone in and out of state. I personally don't think HB 4002 goes far enough but we must do something and I support it.

Thank you for reading,

Susan Nicholson
