Committee: Joint Committee On Addiction and Community Safety Response

Measure: HB4002

As a concerned citizen, I testify that Measure 110 did not instigate Oregon's addiction and overdose, homeless, mental health, and public safety crisis. However, its implementation has exacerbated these issues. It's imperative to take immediate action to save lives, rebuild communities, and put an end to the national disgrace brought about by Measure 110. Stop the insanity now!!
