

Submitter: Lydia Felley
On Behalf Of:
Committee: House Committee On Judiciary
Measure: SB1576

Please pass SB 1576A to restore recreational immunity for public and private landowners and to both improved and unimproved trails to keep our community trails open and keep trail improvement projects on track. Enjoying the beauty of Oregon necessitates access to nature via trails. Trails on the Oregon coast allow us to enjoy the beaches which are open to all of us! Without trail access our beaches would not be available to the public. Trails through the woods and to significant sites allow us to learn about nature and our state. I am blessed to live on the coast and walk trails daily for exercise and peace of mind. I cannot imagine having that privilege taken away.

Please pass SB 1576A

Sincerely,
Lydia Felley
