

Submitter: Suzette Hester

On Behalf Of:

Committee: Joint Committee On Addiction and Community Safety Response

Measure: HB4002

There has been such an increase in theft that we have to have somebody stay home at all times. The thieves are drug addicted and need a way to pay for their habit. Since there is no accountability for theft, drug use and assault, the addicted are bold and putting people in danger. We have already had 2 people shot dead because the thief assaulted a home owner.
