

Submitter: Kenneth Kaiser
On Behalf Of: Kenny Leisten
Committee: Senate Committee On Rules
Measure: SCR213

To whom it may concern,

Kenny Leisten was my friend and brother. We were fire team mates during the lead up and deployment to Iraq in 2004. He was such a selfless human being that he voluntarily changed his MOS to infantryman so that he could go on the deployment that took him from us. Kenny was the kind of guy that would give you the shirt off his back. He was constantly taking on collateral duties to help his fellow soldiers and missions. There is not a day that goes by that I don't think about him.

I urge you to support SCR-213. Kenny gave so much in a chain of sacrifices for his fellow man and this would be an excellent recognition of that.

Thank you for your time and consideration,

-Kenneth Kaiser
