

Submitter: Denise Carder

On Behalf Of:

Committee: Joint Committee On Addiction and Community Safety Response

Measure: HB4002

The ACLU of Oregon opposes HB 4002-24, as well as any and all amendments to HB 4002 that criminalize in any way user-level possession of banned substances, force treatment on people, or now or in the future lower or divert funding from treatment, housing, and related services.
