

Submitter: Bleauregard Kasadu

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: SB1509

Side-note: Although I support this measure, perhaps it might be appropriate for Native Americans to be represented on the work group.

Also, emphasizing a single culture would otherwise be a subject of gentrification. It's just a little different in regards to the assimilation of Native American tribes and the respect for their culture, which have been among the conditions of the deals the US made with them.
