

Submitter: Cindy Phillips
On Behalf Of: Myself
Committee: House Committee On Judiciary
Measure: SB1553

I'm a bus operator I am expose to weed often. On one occasion a man was smoking weed behind me while I was operating the bus, I heard the inhale, exhale then a cloud of weed, I definitely felt the affects. I had a drug addict on board threw the back of bus, he left a cup ful of used needles and passenger reported he was waving a handful of needles the whole time he was on, endangering others.
