Measure: SB1576

I am writing in support of keeping public trails and land open for recreation by supporting Senate Bill 1576A. Closing trails and outdoor access is unthinkable in a state like Oregon.

We need to bolster the Oregon Public Use of Lands Act and recreational immunity through SB 1576A in order to protect landowners who allow the public to recreate on their property. The consequences of not protecting landowners through recreational immunity is unthinkable to me as a life-long Oregonian. Please stand up for continued public recreational access in the outdoors!
