

Submitter: Bonnie Marshall  
On Behalf Of: Small Woodland Owners owning more than 500 acres  
Committee: Senate Committee On Finance and Revenue  
Measure: SB1593

I encourage you to vote NO on SB1593 with proposed amendments. As with many bills, it is poorly written and thought out and yet presented with a sense of urgency as is shown in Proposed Amendments to Senate Bill 1593: - "SECTION 3. This 2024 Act being necessary for the immediate preservation of the public peace, health and safety, an emergency is declared to exist, and this 2024 Act takes effect on its passage."

If you are wanting to find new ways to tax us, please take time to do objective research and objectively study the impact before it is presented as a bill and then to the voters of Oregon. We all know how Measure 110 turned out!

Again, I encourage you to vote NO! Do not move this bill forward!
