Dear Chair Kropf, Vice-Chairs Anderson and Wallan, and members of the committee:

Support for SB 1576 A Recreational Immunity Fix

As an Oregon resident, I enjoy spending time in the outdoors as much as possible, going for birding walks on the Oregon coast and beyond. Exercise in nature is beneficial both physically and mentally, and to have that ability be taken away from us is unfair and unnecessary.

Please pass SB 1576A to restore recreational immunity for public and private landowners and to both improved and unimproved trails to keep our community trails open and keep trail improvement projects on track.

Thank you in advance for your support,
JG
