Measure: SB1576

Dear Chair Kropf, Vice-Chairs Anderson and Wallan, and members of the committee:

Support for SB 1576 A Recreational Immunity Fix

I access public and private land often in my enjoyment of the outdoors in Oregon. Let's keep that ability there for all to enjoy. Putting up signs to limit liability is pointless.

Please pass SB 1576A to restore recreational immunity for public and private landowners and to both improved and unimproved trails to keep our community trails open and keep trail improvement projects on track.

Thank you in advance for your support,
M
