

What You Need to Know About the New Oregon Forest Practice Rules

A 4-part series for small woodland owners

Photo: Lynn Ketchum, OSU

Oregon forestland owners planning forest operations have new rules to follow this year

This 4-part series will explore the most important changes to the Oregon Forest Practice Rules that took effect in 2024. Class dates and topics are as follows:

- **Tues. March 12, 3pm - 5pm** | Submitting a Notification of Operations to ODF. Road condition assessments, road construction & maintenance rules.
- **Thurs. April 11, 3pm - 5pm** | Funding opportunities for small woodland owners, including culvert replacement & road improvement funds, & the new Forest Conservation Tax Credit.
- **Wed. May 15, 3pm - 5pm** | Riparian rules part 1: how to conduct a stream permanence survey & design stream buffers on your property.
- **Thurs. June 6, all day field tour** | Riparian rules part 2: A field day looking at riparian management areas & practicing stream survey/buffer skills.

Once a month: March - June

You choose which sessions to attend (pre-registration requested)

OSU Extension Office
1134 SE Douglas Ave, Roseburg

June Field Tour location TBD
