Committee: House Committee On Rules
Measure: SB1583

Oppose...Oppose...No No on this bill

This bill furthers the intrusion of sexually explicit books into our schools and libraries. Children shouldn't be exposed to books advocating sex of any kind and with content that's borderline encouraging pedophilia. Promoting immoral and illegal activities is raising up lawlessness and evil, and they wonder why behavior in schools has deteriorated.

This is the worst bill of the session we cannot let this pass. The proposed amendment does not remove the offensive prohibitions.
