

Submitter: Eric Hill

On Behalf Of:

Committee: House Committee On Rules

Measure: HB4024

I strongly oppose this house bill. Ultimately this bill limits free choice and speech. Which is rather ironic, since that is the ploy being used by those in charge. This limits the average citizen in choosing the candidate of their choice. And favors deeper pockets and more organized groups giving bigger contributions, who will naturally have a larger voice then. This really takes away from common citizens.
