Committee: Senate Committee On Rules  
Measure: HB4026

We are still a democracy, correct? Ok, then just stop this madness. If passed, this bill, HB4026, would restrict a constitutional right. Legislative retroactive invalidation of the legally processed will of the people is antithetical to democratic principles. It is unethical to try to stop a ballot measure that is already on the ballot. If this bill were to pass, it sets a dangerous precedent for all future ballot measures. HB4026 was an overtly sleazy move and whoever supports this bill is never to be trusted as legislative official.
