

Submitter: Rod Taylor

On Behalf Of:

Committee: House Committee On Rules

Measure: SB1583

SB1583 is the antithesis of local control, which is one of the primary drivers of the voters' will in Coos County. Portland and Salem ideologues must not be allowed to determine outcomes for the 31 counties in the state that do not support the same ideas held in the larger counties. Do not pass SB1583. It is a very bad idea, and the People are very tired of bad ideas becoming law in this increasingly centralized state.
