On Behalf Of:

Committee: Senate Committee On Rules

Measure: HB4021

Honorable Chair Lieber, Vice Chair Knopp and Committee Members,
I Oppose HB 4021,

The people need to select the Congress person. As that person needs to know they are selected by the people. The Congress is known as the people's chamber. We need to let that process happen. Shorten the time frame for the election if you are concerned about going without an Oregon replacement rather than having the process be by appointment.

Thank you,
Janice Dysinger
