

Submitter: Ellie Mallek
On Behalf Of:
Committee: House Committee On Rules
Measure: SB1583

I have repeatedly witnessed books, school materials, and our public school curriculum and found a great deal of inappropriate and offensive and even pornographic material. This is unacceptable ! This is harmful to our children and to our society. And to threaten parental rights, when we bore and raise and support our children, this is outrageous and totally unconstitutional. Please oppose this bill and take a stand for our children, the family and this state.
Thank you and GOD BLESS OREGON??
