

Submitter: Hal Lawson
On Behalf Of:
Committee: House Committee On Rules
Measure: SB1583

If the word "Discernment" were to be substituted for the word "Discrimination" we would reach a better understanding of the intent of the proposed bill.

--Prohibits discrimination when selecting textbooks, instructional materials, program materials or library books that are used in the public schools of this state.

We need to protect the minds of our youth from moral decay.

PLEASE VOTE NO on SB1583.
