

Submitter: Adam Turman

On Behalf Of:

Committee: Senate Committee On Rules

Measure: HB4130

I have seen noncompete clauses have extreme negative effects on providers and families, working in the communities where they live. The patients the providers the community do not benefit from noncompete clauses only large companies to buy their employees to them. The healthcare community as a whole would have amazing benefits with noncompete clauses being removed from all contracts.

Thank you
