

Submitter: Ramona Lang  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: SB1583

We are on the edge of losing our educational freedom. I am in opposition of SB 1583. No government should have authority over a parents right to navigate their childs education.

This goes against all that our country was founded on. The decrease in math and reading scores is an indication of what government will do. This is wrong for our state!
