

Submitter: Teresa Ervin
On Behalf Of:
Committee: House Committee On Rules
Measure: SB1583

I am writing to ask you to vote no on SB1583. I am opposed to indoctrination of children towards a specific agenda under the manipulative guise of prohibiting discrimination. Public education should be about reading, writing, math and other life skills; not about using taxpayers' dollars against the taxpayer's desire to radicalize our children. Local school boards are elected by the people and should be allowed to make decisions that support the will of their communities who elected them.

Please vote NO on SB 1583 (1583A).
