Date: February 12, 2024

Bill Title: Relating to education; prescribing an effective date.

Government Unit(s) Affected: Department of Education, School Districts, Department of Consumer and Business Services

Summary of Fiscal Impact

This fiscal impact statement is for the purpose of transmitting the measure from the House Committee on Education to the Joint Committee on Ways and Means.

HB 4077 -3 requires the Department of Education (ODE), in consultation with the Department of Consumer and Business Services, to develop and implement a standardized method to be used by school districts and education service districts to record school workplace safety incidents. The measure warrants a subsequent referral to the Joint Committee on Ways and Means because ODE will need additional budgetary resources, including additional positions and information technology services to comply with the measure.

A more complete fiscal analysis on the measure will be prepared as the measure is considered in the Joint Committee on Ways and Means.
