

SUBCOMMITTEE RECOMMENDATION

HB 4134 Relating to housing

To: Ways and Means Full Committee
From: Transportation and Economic Development Subcommittee
Carrier: Representative Breese-Iverson

HB 4134 appropriates \$7.1 million General Fund to the Oregon Business Development Department to provide grants to four specified cities for infrastructure projects to support housing developments. The measure specifies requirements of grant disbursement agreements between OBDD and the cities and includes reporting requirements.

Resources are included in SB 1530 for OBDD to administer infrastructure grants, and if that bill becomes law, OBDD anticipates being able to absorb the cost of administering the grants included in HB 4134.

The Transportation and Economic Development Subcommittee recommends HB 4134 be amended by the –A5 amendment and be reported out do pass, as amended.
